CONFERENCE FAVORS LAND COMMISSION

Special Session "Up In Air," Says Governor

A commission to administer the land laws of the Territory is the sentiment prevailing among the citizens who have been participating in the conference, on the Organic Act amendments called by Governor Frear. The amendments as they promise to be finally approved by the conference will in all probability be substantially the same as the bill passed by the House of Representatives of the last Legislature.

While the deliberations of the conference have not been made public it was stated by Governor Frear Saturday that the necessary amendments to the land law as outlined by the conference would be printed in pamphlet form for the purpose of public discussion.

Speaker Holstein of the House of Representatives was a caller upon Governor Frear and will attend the conference today. The idea of a special session is "up in the air," according to the Governor and nothing definite will be determined until Tuesday.

WAILUKU CONCERT.

(Special to the Bulletin.)

WAILUKU, MAUI, Oct. 15.—The concert and dance given at the Wailuku Town Hall last week Saturday evening by Sunday schools of the Mormon faith from the various districts of this county was the largest affair of the kind seen in the Town Hall since its opening day. The hall was just crammed and packed with human souls. The singing was good and received repeated encores. The Olowahu glee club made quite a hit and so did the Waihee, Wailuku and Waikehu Sunday schools. Dancing followed the concert and was kept up until midnight.

The convention at the same place on Sunday, was also very largely attended. Quite a handsome amount was realized from both events which will go towards the fund for farther enhancing the gospel on this island. A luau at Waikehu's and songs at the Town Hall closed the day's events and all went home happy.

EMBEZZLED WATCH NOW IN TOILS.

A Japanese H. Hanaka who was placed under arrest by Chief of Detectives Leal Saturday and after investigation the Japanese was sent to the tanks to await a hearing. He is charged with stealing a watch.

The watch was the property of one Ohia a Hawaiian. It was valued at twenty-five dollars.

COULDN'T SEE THE JOKE.

It cost George Weeks, a sailor belonging to the British ship Kirkcubright twenty dollars for his merry indulgence in the somewhat questionable pastime of ducking a fellow seaman into a tar barrel.

Weeks appeared before Judge Andrade at Police Court Saturday. He was committed to custody awaiting the payment of his fine by the skipper of his ship.

MAYHEM CASE TO CIRCUIT COURT.

Kuna, charged by his wife Hoopi, with having committed Mayhem during the process of a family row, at which time the infuriated spouse is alleged to have bitten off a portion of his wife's tongue, has been committed to the Circuit Court for trial.

Ayer's Hair Vigor

A gentleman residing at Dunedin, N.Z., writes under date Jan. 7, 1907:

"It is with gratitude I write you that I have now a splendid head of hair, both thick and very soft, all owing to my having used your wonderful Hair Vigor. I was almost bald headed before I used the Hair Vigor. I still use it once a day, rubbing it well into the roots of the hair. I used to wear a skull-cap, and I am very grateful to Ayer's Hair Vigor for the improvement it has made in my locks."

Be warned in time. Use Ayer's Hair Vigor and preserve your youth.
